

# *Reasonable Faith:*

How Do Engineers & Mathematicians Think  
About God?

Tuesday, October 11 @ 7:00pm

Heritage House Lobby

Join four esteemed Baylor professors as they make the case that faith in God and Christ is reasonable, rational and compelling.

## *Featuring*

Dr. Ian Gravagne and Dr. Robert Marks, Department of Electrical & Computer Engineering,  
Dr. Matthew Beauregard and Dr. John Davis, Department of Mathematics
