

The John F. Baugh Center for Entrepreneurship & Free Enterprise presents:

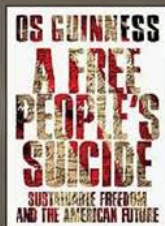

**"A Free People's Suicide: Sustainable
Freedom and the American Future"**

**February 12, 2014 @ 5pm
Kayser Auditorium
Hankamer School of Business
Baylor University**

OS GUINNESS

(PhD Philosophy, Oxford University)

He is a widely held expert on religious, political and economic freedom.

"A Free People's Suicide" challenges each and every citizen concerned about America's diminishing role as a beacon of liberty not only to comprehend the urgency, but also to participate comprehensively in freedom's preservation. The Washington Times
